4. Write a short composition about "Your School" :10

Read the passage and answer the question 5,6 and 7.

There lived two friends in a certain village. They promised that they would help each other at the time of danger. One day they were passing through a deep forest. Suddenly a bear came in front of them. So both of them were afraid and were in a fix what to do. One friend knew how to climb a tree and he promptly climbed a nearby tree. But the other friend finding no other alternative lay down on the ground like a dead body. The bear appeared and examined the breath of the lying friend. Thinking him dead the bear went away. Coming down from the tree the other friend asked him what the bear had whispered in your ears. The lying friend answered that the friend who runs away leaving his friend behind is not a real friend.

5. Write one of the words that completes each sentence. There are three extra words which you do not need to use. 1 × 5 = 5

promised	sudden	passing	dead
came	danger	see	eat
