It was a hot summer day. A crow was very thirsty. He flew from one place to another in search of water. But there was not a drop of water anywhere. All the ponds and ditches had dried up. The crow flew a long distance and was tired. Suddenly he saw a pitcher under a tree. The crow flew down and sat on the pitcher. He looked into the pitcher. There was a little water in the pitcher. But the crow could not reach it. He looked around and saw some pebbles. He picked up the pebbles one by one with his beak. He dropped them into the pitcher. Soon the water came up to the mouth of the pitcher. The crow drank the water and flew away happily.
